1. Assemble Frame
   Reference printed instructions located in bag. Expand all poles to largest length.

2. Assemble on Floor
   Lay assembled frame on floor with graphics.

3. Rotate Feet
   Spin feed 90 degrees to allow frame to rest on floor.

4. Attach Zip Ties
   Attach graphic panels with zip ties on all available holes. Trim off excess (not shown).

5. Erect Stand
   Using several people stand up frame with graphic panels, twist feet back 90 degrees to be perpendicular to graphic panel.

6. Affix Puzzle Pieces
   Puzzle pieces may be affixed with magnetic or Velcro. Simply line up each piece with the corresponding number printed on the backer board. For large or complex puzzles, more than one person may be required to assemble.
