## Why We Do It Better:

- Our own exclusive structural design – lightweight, folds flat for transport, one-person setup without tools
- 8' tall display tower attracts attention in any crowd. Can be customized to fit any setting
- G7 Qualified Master Printer ensures the highest standards of color accuracy and consistency are met during production
- 6-color large format UV flatbed printing with our Forever-Fade-Free Guarantee
- Lightweight Coroplast panels are water proof and weather resistant
- Precision CNC-cutting ensures a perfect fit every time
- Channel-scored hinges around each panel for easy transportation and installation
- Can be reused for future events
- Outdoor durable, water- and weather-resistant
