

# PROJECT 25 SHOWCASE

# SUNRISE HITEK

## Project Name:

YMCA Street Banners and NCA Building Banners

## Specifications:

Production: Solvent and UV Printing  
Double-sided Vinyl Banners  
Stitched Hemming and Pole Pockets  
Reinforce Corners with Grommets  
Cut Wind Slits

Size: YMCA - 2'x5'  
NCA - 3'x11'

Typical Quantity: From one to hundreds of banners

## Why We Do It Better:

- Outdoor durable vinyl banners that will last for years
- Single- or Double-sided printing
- Twin-needle sewing for extra strong pole pockets
- CNC-cut wind slits for consistent and precise placement
- Exceptional print quality with long term fade resistant inks
