## Why We Do It Better:

- Exclusive Sunrise-engineered free-standing base
- Base is produced on the same material to avoid cost of standee hardware
- Base can be printed at the same time as artwork
- Beautiful UV flatbed printing that offers the very best image quality in the business
- Opaque white ink available for printing on clear and colored substrates. White ink can be printed under, over, or blended with 4-color elements for special effects
- Optically-registered digital cutting offers perfect registration between parts and superb edge quality
- Complete turn-key solution for the customer

## Other Solution for standee displays:

Wedge Feet

Half-moon Interlock

Spider Feet
