Why We Do It Better:

- Design die line for unique double-wall box construction
- Best-in-business UV flatbed printing with proprietary Banding-Free™ technology
- Digital die-cutting of layered foam inserts to accommodate different product heights
- High-end polished matte finish
- Magical magnetic closure system

About VGBio:

VGBio is a venture backed start-up bringing advanced predictive analytics to healthcare, monitoring chronically ill patients in their home, to alert their doctors of a deteriorating condition that if not addressed, would result in a needless and costly hospitalization. The product packaging was developed for patients participating in clinical studies, designed to demonstrate efficacy.
